

I, I just woke up from a dream Die with a smile
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized

Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like, it's the last night
Like it's the last night

[Refrain]

If the world was ending,
I'd wanna be next to you ...

If the party was over
and our time on Earth was through
I'd wanna hold you just for a while
and die with a smile

If the world was ending,
I'd wanna be next ...

[Refrain]

LOCOMOTION

Everybody's doin' a brand new dance now

(Come on baby, do the locomotion)

I know you'll get to like it if you give it a chance now

(Come on baby, do the locomotion)

My little baby sister can do it with ease

It's easier than learning your A B C's

So come on, come on, do the locomotion with me

You gotta swing your hips now

Come on baby, jump up, hummm jump back

Well, I think you got the knack, oh-oh

Now that you can do it, let's make a chain now

(Come on baby, do the locomotion)

Chug-a chug-a motion like a railway train now

(Come on baby, do the locomotion)

Do it nice and easy, now don't lose control

A little bit of rhythm and a lot of soul

Come on, come on, do the locomotion with me

You gotta swing your hips now

Come on baby, jump up, hummm jump back

Well, I think you got the knack, oh-oh

Move around the floor in a locomotion

(Come on baby, do the locomotion)

Yeah, do it holding hands if you got the notion

(Come on baby, do the locomotion)

There's never been a dance that's so easy to do

It even makes you happy when you're feeling blue

So come on, come on, do the locomotion with me,

You gotta swing your hips now

Come on baby, jump up, jump back

Well, I think you got the knack, oh-oh

Everybody's doin' a brand new dance now

(Come on baby, do the locomotion)

I know you'll get to like it if you give it a chance now

(Come on baby, do the locomotion)

My little baby sister can do it with ease

It's easier than learning your A B C's

So come on, come on, do the locomotion with me

Baby, you can find me under the lights 02 Dance the night

Diamonds under my eyes Turn the rhythm up,
Don't you wanna just, Come along for the ride?

Oh, my outfit so tight

You can see my heartbeat tonight

I can take the heat, baby, best believe

That's the moment I shine

[PONT] 'Cause every romance

shakes and it bends, Don't give a damn,

When the night's here, I don't do tears Baby, no chance

I could dance, I could dance, I could dance

[Refrain] Watch me dance, dance the night away

My heart could be burnin', but you won't see it on my face

Watch me dance, dance the night away (uh-huh)

Still be lookin' my best I stay on the beat,

[PONT] + **[Refrain]**

When my heart breaks (they never see it, never see it)

So, (don't stop me now)

(Don't stop me)

'Cause I'm having a good time, having
a good time

I'm a shooting star leaping through the

Defying the laws of gravity

I'm a racing car passing by like Lady
Godiva

I'm gonna go, go, go, there's no
stopping me

I'm burnin' through the sky, yeah
Two hundred degrees, that's why they
call me Mister Fahrenheit

Just give me a call

(Don't stop me now)

'Cause I'm having a good time

(Don't stop me now)

Yes, I'm havin' a good time
I don't want to stop at all, yeah

I'm a rocket ship on my way to Mars
on a collision course

I am a satellite I'm out of control
I am a sex machine ready to reload like
an atom bomb

About to oh, oh, oh, oh, oh, explode

I'm burnin' through the sky, yeah
200 degrees, that's why they call me
Mister Fahrenheit

I'm travelling at the speed of light

04. I'm still standing

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from
you
You'll wind up like the wreck you hide
behind that mask you use

And did you think this fool could never win?
Well, look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still
standing, you just fade away

Don't you know I'm still standing

better than I ever did

Looking like a true survivor,

Feeling like a little kid

I'm still standing after all this time

Picking up the pieces of my life without

you on my mind

I'm still standing (yeah, yeah, yeah)

I'm still standing (yeah, yeah, yeah)

Once I never could have hoped to win
You're starting down the road leaving me again

The threats you made were meant to cut
me down

And if our love was just a circus, you'd be
a clown by now

Don't you know I'm still standing
better than I ever did

Looking like a true survivor,

Feeling like a little kid

I'm still standing after all this time

Picking up the pieces of my life

without you on my mind

She's a million dollar baby, nobody can explain it

She's a miracle She's a miracle, oh, oh, oh

She broke out of her chains,

turned the fire into rain

She's a million dollar baby,
she bound to drive you crazy

She's a miracle She's a miracle, oh, oh, oh

Heart broke, oh-oh

You can't keep her down, no, oh-oh (ah, ah)

Ice-cold, oh-oh

Just comin' back to life, no, oh-oh-oh And

once in a while

I'll go walkin' in the twilight, countin' down

to midnight

Close my eyes and wait for her to shine

I'm hidin' in the shadows, prayin' that

she'll break free

In the dark of the night, she got danger on her mind

She's a million dollar baby, nobody can explain it

She's a miracle She's a miracle, oh, oh, oh

She broke out of her chains,

turned the fire into rain

She's a million dollar baby,

she bound to drive you crazy

She's a million dollar baby, she bound to drive you crazy

[Pont] Mm, I didn't wanna leave you
I didn't wanna lie

Started to cry but then remembered I

[Refrain] I can buy myself flowers

Write my name in the sand

Talk to myself for hours

Say things you don't understand

I can take myself dancing

And I can hold my own hand

Yeah, I can love me better than you can

Can love me better, I can love me better, baby
(X2)

Paint my nails, cherry red
Match the roses that you left
No remorse, no regret
I forgive every word you said

[Pont] + [Refrain]

Can love me better, I can love me better, baby
(X4)

Oh, I

I didn't want to leave you

I didn't wanna fight

Started to cry but then remembered I

[Refrain] I can buy myself flowers

Write my name in the sand

Talk to myself for hours

Say things you don't understand

I can take myself dancing

And I can hold my own hand

Yeah, I can love me better than you can

Yeah, I can love me better than,

you can.....

*Can love me better, I can love me better, baby
(X4)*

First, when there's nothing
But a slow glowing dream
That your fear seems to hide
Deep inside your mind

All alone, I have cried
Silent tears full of pride
In a world made of steel
Made of stone

Well, I hear the music
Close my eyes, feel the rhythm
Wrap around, take a hold of my heart

[Refrain] What a feeling, Being's believin'

I can have it all, now I'm dancing for my life

Take your passion And make it happen

Pictures come alive, You can dance right through
your life

Now I hear the music
Close my eyes, I am rhythm
In a flash, it takes hold of my heart

[Refrain] + What a feeling

What a feeling (I am music now)
Being's believin' (I am rhythm now)
Pictures come alive (ooouuh)
You can dance right through your life

What a feeling (I can really have it all)
What a feeling (pictures come alive when I call)
I can have it all (I can really have it all)
Have it all (pictures come alive when I call)
(Call, call, call, call) What a feeling
I can have it all (being's believin')
Being's believin' (take your passion)

Pictures come alive you can dance right
through your life
What a feeling !

If you change your mind, I'm the first in line
Honey, I'm still free, take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down

If you're all alone, when the pretty birds have flown
Honey, I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try

Take a chance on me ... (That's all I ask of
you, honey) Take a chance on me

Knowing me, knowing you (Ah-haa)
There is nothing we can do
Knowing me, knowing you (Ah-haa)
We just have to face it this time we're through
Breaking up is never easy, I know
But I have to go
Knowing me, knowing you ...
It's the best I can do

**Friday night and the lights are low ...
Looking out for a place to go
Where they play the right music
Getting in the swing ...
you come to look for a king**

**Anybody could be that guy ...
Night is young and the music's high
With a bit of rock music ...
Everything is fine
You're in the mood for a dance
And when you get the chance ...**

**You are the dancing queen ...
Young and sweet only seventeen
Dancing queen .. Feel the beat from the
tambourine, oh yeah**

**You can dance ... You can jive ...
Having the time of your life
Ooh, see that girl ... Watch that scene
Digging the dancing queen**

**There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though I never thought that we could lose
There's no regret
If I had to do the same again ...
I would, my friend, Fernando**

x2

**I don't wanna talk ...
about things we've gone through
Though it's hurting me ... now it's history**

**I've played all my cards ..
and that's what you've done too
Nothing more to say ...
no more ace to play**

**The gods may throw a dice ...
their minds as cold as ice**

**And someone way down here ...
loses someone dear**

**The winner takes it all .. The loser's as to fall
It simple and it's plain why should i complain**

**Gimme, gimme, gimme a man after midnight
Won't somebody help me chase the shadows away?**

**Gimme, gimme, gimme a man after midnight
Take me through the darkness to the break
of the day**

People everywhere ...

A sense of expectation hangin' in the air

Givin' out a spark

Across the room, your eyes are glowin' in the dark

**And here we go again, we know the start, we
know the end Masters of the scene**

**We've done it all before and now we're back to
get some more**

You know what I mean

Voulez-vous (aha) .. Take it now or leave it (aha) ...

Now is all we get (aha) Nothing promised, no regrets

Voulez-vous (aha) .. Ain't no big decision (aha) ...

You know what to do (aha)

La question c'est voulez-vous

Voulez-vous ous

**I wasn't jealous before we met
Now every woman i see is a potential threat**

**And i'm possessive, it isn't nice
You've heard me saying that smoking was my
only vice**

**But now it isn't true (ouuu).... Now
everything is new (ouuu)....
And all I've learned has overturned
I beg of you**

**Dont go wasting your emotion
Lay all your love on me
Dong go sharing your emotion
Lay all your love on me**

quite a similar way**

**The history book on the shelf ... Is always
repeating itself**

the war**

Waterloo ... promise to love you forever more

Waterloo ... couldn't escape if I wanted to

le tout dernier matin Le tout dernier jasmin

Ne me lâche pas la main C'est la fin,

le soleil au lointain, S'écoule seul dans son coin

Ne me lâche pas je te tiens

[Refrain] Le dernier jour du disco, Je veux le passer sur ta peau

À rougir (ah, ah) comme un coquelicot (comme un coquelicot)

Le dernier jour du disco, Je veux l'entendre en stéréo

Et te dire qu'y'a rien de plus beau (qu'y'a rien de plus beau)

C'est la fin, les statues d'airain

Coulent dans leur chagrin

Ne me lâche pas la main, c'est la fin

Les rivières du destin s'affolent comme du satin

Ne te lâche pas, je te tiens

C'est la fin, les couleurs soudain Se confondent au fusain

Ne me lâche pas, c'est rien, C'est la fin,

je vois sur le dessin Quelque chose de divin

Ton Eden, mon jardin

[Refrain] Le dernier jour du disco X8

[Refrain] C'est la fin

Just a steel town girl on a Saturday night

Lookin' for the fight of her life

In the real-time world no one sees her at all

They all say she's crazy

Locking rhythms to the beat of her heart

Changing movement into light

She has danced into the danger zone

When the dancer becomes the dance

**It can cut you like a knife,
if the gift becomes the fire**

On a wire between will and what will be

She's a maniac, maniac on the floor

**And she's dancing like she's never
danced before**

She's a maniac, maniac on the floor

**And she's dancing like she's never
danced before**

**On the ice-blue line of insanity
is a place most never see
It's a hard-won place of mystery
touch it, but can't hold it**

**You work all your life for that moment in time,
it could come or pass you by
It's a push-shove world,
but there's always a chance
If the hunger stays the night**

**There's a cold kinetic heat,
struggling, stretching for the beat
Never stopping with her head against
the wind**

She's a maniac, maniac, I sure know

And she's dancing like she's never danced before

She's a maniac, maniac, I sure know

And she's dancing like she's never

danced before

28. I will survive

First I was afraid I was petrified

Kept thinking I could never Live without you by my side

But then I spent so many nights

Thinking how you did me wrong

And I grew strong And I learned how to get along

And so you're back from outer space

I just walked in to find you here

With that sad look upon your face

I should have changed that stupid lock

I should have made you leave your key

If I had known for just one second

You'd be back to bother me

Go on now, go Walk out the door

Just turn around now

'Cause you're not welcome anymore

**Weren't you the one who tried To hurt me with
goodbye?**

**Did you think I'd crumble? Did you think I'd lay
down and die?**

Oh, no, not I I will survive

Oh, as long as I know how to love I know I'm still alive

I've got all my life to live

I've got all my love to give

And I'll survive I will survive

**It took all the strength I had not to fall apart
Kept trying hard to mend the pieces Of my broken
heart**

**And I spent, oh, so many nights Feeling sorry for myself
I used to cry, But now I hold my head up high**

**And you see me somebody new
I'm not that chained-up little person Still in love
with you**

**Now you felt like dropping in And expect me to be free
And now I'm saving all my loving
For someone who's loving me**

Go on now, go Walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried To hurt me with
goodbye?
Did you think I'd crumble? Did you think I'd lay
down and die?

Oh, no, not I I will survive

Oh, as long as I know how to love I know I'm still alive

I've got all my love to give
